but a hug from her
mom

**Sarah's
mother is in
bed with a
tiny baby in
her arms**

**Sara's
father
smiled
and asked
her to come
closer and
see the baby
her mother
is holding.**

Sara'h walks toward the baby, with a heavy heart and a mix of emotion as confusion was taking over.

There it is a tiny teeny
human that looked just like her

She wasn't sure how she should feel as she holds her baby brother.

**Her heart
started to warm
up as she felt a
wave of love go
through her
body**

**Sarah sings lullabies to the baby
while her mom change the baby's
diaper**

**Sarah watched in fascination
as the baby's tiny hand reached
for her.**

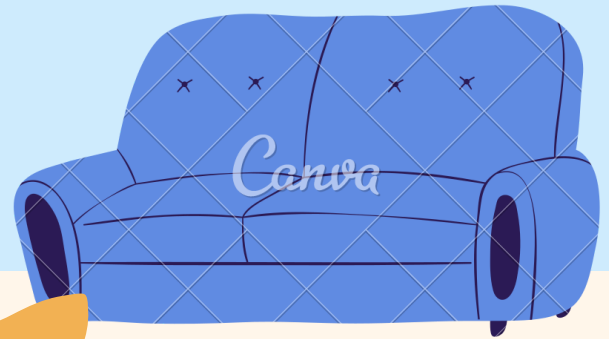

As the days went
Sarah and the baby played together

one day on
her way back
from school
she
remembered
how her
miserable day
Somethings so
beautiful.

At Night they slept peacefully, knowing that their family was full of love and knowing they always had each other.

so in this tiny city, full of sunshine and joy, Sarah spent every day filled with love, a warm heart and being grateful for her family
